## Northeast Fisheries Observer Program/At-Sea Monitoring Program

### ENFORCEMENT BOARDING REPORT

*The U.S. Coast Guard and other enforcement agencies make periodic boardings of fishing vessels to inspect them for fisheries and safety violations. If the USCG boards the vessel you are on, introduce yourself and show them your id. Remain available, but in the background. Do not remove yourself completely from the scene unless asked to do so. Do not join in any discussions between boarding party members and vessel personnel unless asked to do so. Please cooperate and provide assistance if requested.*

Observers/at-sea monitors should call their providers as soon as they land. Observers/monitors should email the Boarding Report to Sara Weeks ([Sara.Weeks@noaa.gov](mailto:Sara.Weeks@noaa.gov)), Elizabeth Ouellette ([Elizabeth.Ouellette@noaa.gov](mailto:Elizabeth.Ouellette@noaa.gov)) and their Area Coordinator (if applicable) within 48 hours of the landing.
