

Northeast Fisheries Observer Program
Industry-Funded Scallop Program Gear Request Form

(If you are in need of more logs or NMFS-provided gear you may either follow the instructions below and submit a gear request form, or email/call Lacey or Tyler directly.)

Instructions: To fill out the gear request form you must save a copy to your computer. Once you have saved a copy to your computer you can fill out any of the highlighted fields for gear that is needed. Required fields that must be completed are Name, Date and Send To fields. This ensures that gear is sent to the proper location.

There are two ways that you can send the gear request form in: e-mail or mailed with a trip.

E-mail: Open your e-mail and add the saved PDF file as an attachment. Then e-mail the form to the following people: lacey.bluemel@noaa.gov, tyler.staples@noaa.gov

Mailed with Trip: Save a copy of the PDF to your computer and fill out the form electronically. Then print a copy and send it in with your trip.
