* All times are approximate, and may be changed at the discretion of the Chair. The meeting is open to the public. During scheduled "Public Comment" periods the Chair will welcome questions, clarifications, and opinions. Each person will have a 3 minute limit. The "Wrapping Up" session on Day 3 is primarily intended for the Panel to discuss and write its report. During that time, comments from the presenters and the public will be restricted to clarifications that are solicited by the Chair and Panel.
